## 1. The Original

The heliport in Vienna Meidling near the Wienerbergbrücke is used by the Austrian police as a base for the helicopter squadron.

It is not a public airfield, although he has an ICAO designator.

The scene is based on publicly available information and pictures made by [www.wildbergair.com](http://www.wildbergair.com).

All buildings have been completely rebuilt.

The scenery includes night textures and realistic lighting (Only X-Plane 10, 11).
